PST No.8 Exercises 9P and 11T

The DSA SE (Supervising Examiner) will call your learner a partly trained student for this Pre Set Test lesson briefing. Listen to the word picture given to you by the SE and take notes if you like.

The lesson recap will start as you complete Phase 1 For this PST the following areas will need to be covered in your lesson briefing:

You'll start this Pre Set Test from wherever the phase 1 lesson ended. Your learner is now a completely different human being to the one you taught on phase 1. Any errors you fixed in phase 1 may reappear on phase 2. Don't make the error of thinking that you fixed those errors earlier, so they won't happen again.

You now begin this PST from wherever the phase 1 lesson ended. Your learner driver is now a completely different human being so don't linger on the phase 1 faults or person, they have left.
