Driving Instructor Training Lesson Briefing

PST 1 Phase 2 Crossroads Lesson

PST No.9 Exercises 10P and 12T

The DSA SE (Supervising Examiner) will call your learner a partly trained student for this Pre Set Test lesson briefing. Listen to the word picture given to you by the SE and take notes if you like.

The lesson recap will start as the SE complete their word picture the PST the following areas will need to be covered in your lesson briefing:

- mirror, signal, manoeuvre
- speed
- gears
- coasting
- observation
- emerging
- position right
- position left
- pedestrians
- cross approaching traffic
- right corner cut

If you fail to miss any of these points in your briefing or recap at the beginning of your lesson, then you will have to cover them on the road as you drive or in the debrief at the end of the phase. If you don't it will detract from your over all final score.
